

Opportunity Knocks

Opportunity Knocks is a Vocational Training program that assists Mental Health Clients in preparing for employment, school, or volunteering in the community.

Individuals are taught interviewing skills, resume writing, networking and computer skills.

Job Coaching is available to all Opportunity Knocks participants and free of charge to all employers.

Imagine the ease of professional employees ready to start working and eager to make a valuable contribution to you!

Testimonial of Employer

“The WYGC employee interviewed well, after placement, job coaching services caused growth and productivity; and the employee has proven to be a valuable asset to our business.”
